

Ready Steady Learn to Cook

Featuring: Easter Treats

Friday 29th March at 7.00pm
Attention all aspiring cooks!

The Grosvenor Pulford Hotel & Spa welcomes an evening of enlightenment, entertainment and full flavour! Prepare to be dazzled by the tricks of the trade in our live cookery session!

The evening will be hosted by our Executive Head Chef Paul Prescott, who will be leading the cookery demonstration and presenting simple but effective ideas to help you create a variety of Easter treats at home. Including traditional seasonal specialities, with a modern twist.

You will also be fed advice and suggestions on choosing wines from Rodney Demsen.

What's more, we will present you with all the recipes and easy to follow advice so that your new found knowledge and skills will remain with you. As a result, you will be able to impress your friends with your culinary skills and knowledge of wine!

And if that wasn't tempting enough.....

The evening will also include a 3 course meal complemented by carefully selected wines with each course followed by coffee (courses will be served intermittently between each demonstration)

At only £40.00 per person you can not afford to miss out!
